

Calibration Seminar – What defines a calibration?

We would like to invite you to join our free half day calibration seminar.

May 30, 2023 – Denmark – Copenhagen / Ballerup

Venue: DTU Ballerup, Lautrupvang 15, Room: B2.01, 2750 Ballerup

The seminar is for all stakeholders involved in calibration of Test and measurement equipment in their daily role, and for those looking to gain a deeper understanding of the topic. The seminar is open to all, not only for R&S equipment users!

Topics:

- Why calibrate?
- Requirements and differentiating parameters
- Accredited calibration versus standard calibration
- Scope of a calibration service
- Calibration interval
- Risk considerations
- Checklist for selecting a quality calibration service provider
- What can you expect from a Calibration Certificate

Agenda:

08:30 - 09:00: Breakfast and registration

Session 1:

09.00 – 10.00 Calibration, do you know what you are paying for?
+ Q&A

10:00 - 10:30 Coffee & Water

Session 2:

10:30 - 11:30 Calibration, make sure you read the fine print!
+ Q&A

Session 3:

11.30 – 12.00 What makes a calibration certificate?
+ Q&A

12.00 – 13.00 Sandwich & Networking

13.00 Thank you & Goodbye

[REGISTER HERE](#)

We are looking forward to welcoming you to a day filled with calibration topics.

We hope you will leave the seminar with a deeper understanding and overview of all the aspects, that are related to this topic.

The event is organized and hosted by Rohde & Schwarz.
